silt loam & Taunton fine sandy loam

Aged in neutral, 500L puncheons

First and foremost, I want to share my disdain for writing tasting notes. Read the back label of the 'Old School' Syrah & you will see my general opinion on how tasting notes are written. What I taste, is not what you taste. All you really need is, do I like the wine, yes or no. It's really that simple. Having said that, here is what I smell & taste in this wine.

The Wine:

Aromas & Visuals: Ripe strawberry, cranberry, baking spices, brown sugar, cinnamon, pie crust, nutmeg.

Flavors & Mouthfeel: Lively acidity with roundness, so fresh, parmesan, long finish, elegant goodness, currant, pomegranite, bursting freshness.

2023 'Tribute to Magritte' Grenache
